

(SRI B. N. SARDESAI)

is why I appeal to the Chief Minister through you Madam Speaker to order a Judicial enquiry into the happenings at Belgaum to find out the truth so that henceforth newspapers will not give publicity to incorrect information as the Minister wants. Whether it is the MES which made false propaganda or whether some others made false propaganda will come to light. That is why, I once again request the Chief Minister through you to order a Judicial enquiry into the matter.

Sri P. A. PAWASHE — Through you I would like to submit that the statement submitted by the Chief Minister yesterday was not correct.

MADAM SPEAKER.— Yesterday the non-member was here when statement was made and what was he doing when the statement was made.

Sri P. A. PAWASHE.— We were not allowed to speak. I submit the statement does not give a clear picture of the happenings on that day at Belgaum and the allegation made against the MES leaders are not true. The agitators were quite peaceful on that day and the police Officers mercilessly lathi-charged them. I pretest against the statement of the Government in this respect and we stage a walk out today.
